2. Checked with [REDACTED] Deputy Chief, Personnel Procurement Division, to ascertain action to be taken to recruit individuals that will be available due to the reduction of force in the Office of Price Stabilization. He advised that for some time Personnel had been working closely with OPS to assure the referral of individuals for screening against our vacancies. Based on experience to date, [REDACTED] does not believe that this will prove to be a very fruitful ground either for professional or clerical employees.
